## Together for Skellefteå

The 6th of May this year is the day when the event Together For Skellefteå takes place – the important day when all of Skellefteå has the chance to stand up against racism and discrimination and praise diversity. In a colourful, fun and peaceful way, we show everyone that our part of the world is a place for everyone. Come and be a part of this event! Take the opportunity to spread the word about this day to children, youths, friends and people that want to make a statement for a fair and open minded society with a strong feeling of togetherness. Now it's more important than ever that we join together for a good cause.

### Schedule for the day

- **10:45** We gather at Folkparken
- **11:00** We walk together to the city centre in fellowship with music
- **11:30 – 13:30** At the town square (Möjligheternas torg) there will be festivities and entertainment. Music, poetry, dancing. Taste bread from different countries and meet people from different cultures.

### Buses free of charge

There will be buses free of charge from some of the villages around Skellefteå. These buses will go to Folkparken where the day starts. For more information about the buses and their schedules, visit our website at:

[www.tillsammansforskelleftea.se](http://www.tillsammansforskelleftea.se)

At **14:30** the buses will leave from Skellefteå bus station to the same villages that they came from at the start of the day.

Show up in colourful clothes. Our goal is to make this day both a party and a manifestation in the name of diversity.
